

Reference : CHANGE NOTICE No. MB/11/01

Subject : Change in mdi Closed Sterility Test Device Stericheck (All types)

Scope : This change notification will affect the following parts/components of mdi Stericheck:

- Tubing Clamps – Bigger in size with improved design

Background:

In our efforts to provide the user better products with more convenience and better performance, certain changes have been made in the tubing clamps of **mdi Stericheck (All types)**.

Need for Change:

As above.

How Does It Affect the User:

From a practical point of view the changes done will improve the product performance characteristics and ease-of-use under actual conditions of use. All performance specifications and product attributes remain unchanged.

- **Tubing Clamps:** The tubing clamps are now made bigger in size with improved design for better performance.

Effective Date:

mdi Closed Sterility Test Device **Stericheck** (all types) manufactured after January 15, 2011 will have said changes.

In case you have any queries, please feel free to contact our Technical Support Team at 'mdi@vsnl.com'.
