Background:

In our efforts to provide the user products with better packaging, certain changes have been made in the design of seal used for closure of packaging containers of **mdi** products with catalog numbers as mentioned above.

Need for Change:

Better aesthetics with identification of QC status.

Change Notice No.	Notification date	Implementation date
CN/19/002	March 01, 2019	April 01, 2019

How Does It Affect the User:

This change is related to the seal used for closure of packaging containers and only the design of seal is being changed with inclusion of QC status. All other product packaging specifications such as packaging box design and quality, label design and quality etc. remain unchanged.

OLD BOX CLOSURE SEAL

NEW BOX CLOSURE SEAL

Implementation of Change:

MDI Products with catalog numbers as mentioned above, packed after the implementation date (**April 01, 2019**) will have the said changes. However, the available stock of MDI Products with old design of seal used for closure of packaging containers will be received by you till the stocks last.
