

Change Notice No.	Notification date	Implementation date
CN/A/24/001	February 12, 2024	March 12, 2024

Subject : Addition of manufacturing and expiration date in Certificate of Quality (CoQ) of mdi non sterile Single Use Assemblies.

Scope : This change will affect the products with following catalog number: (# can be any alphabet or numeral):

- A#####C101

Background:

This change notice has been initiated to notify our customers about the additions made in the Certificate of Quality (CoQ) of mdi non sterile Single Use Assemblies. The manufacturing and expiration date of mdi non sterile Single Use Assemblies with catalog numbers as mentioned above have been added in CoQ. The change will have no impact whatsoever on the product performance or its regulatory compliance.

Need for Change:

The customers/users require information regarding manufacturing and expiration of mdi non sterile Single Use Assemblies. In order to communicate the same in a better way, month and year of manufacturing and expiration shall be added in Certificate of Quality (CoQ) of mdi non sterile Single Use Assemblies.

How Does It Affect the User:

From the user point of view, this is only a document change in which CoQ for above mentioned product shall be changed in terms of addition of manufacturing and expiration date. All product specifications including materials of construction as well as other performance specifications shall remain unchanged. The said changes will be reflected in the accompanying product Certificate of Quality (CoQ).

Effective Date:

mdi non sterile Single Use Assemblies, released by QA after the implementation date will have the said changes in Certificate of Quality (CoQ). However, the available stock of the same having Certificate of Quality (CoQ) without mentioning the manufacturing and expiration date of product will be supplied till the stocks last.
