Background:

This change notice has been initiated to notify our customers/users about updated information regarding the products they are using. The Certificate of Quality (CoQ) of products with catalog number as mentioned above has been updated with addition of the compliance to Total Organic Carbon (TOC) and Conductivity. The change will have no impact whatsoever on the product performance or its regulatory compliance.

Need for Change:

mdj Products with catalog numbers as mentioned above are tested/validated for Total Organic Carbon (TOC) levels as per the USP <643>, TOTAL ORGANIC CARBON and Conductivity levels as per USP <645>, WATER CONDUCTIVITY. The compliance to these tests is already reflecting in product related literature such as validation guide, product data sheet etc. But, the same is not reflecting in current Certificate of Quality (CoQ). Hence, the Certificate of Quality (CoQ) for mdj Products with catalog numbers as mentioned above has been updated with compliance to Total Organic Carbon (TOC) and Conductivity as validated for.

Change Notice No.	Notification date	Implementation date
CN/F/21/005	August 25, 2021	September 25, 2021

No change has been done in any other product specifications or critical dimensions or materials of construction or manufacturing process of **mdi** Products with catalog numbers as mentioned above.

How Does It Affect the User:

From a practical point of view this change specifically states the compliance to Total Organic Carbon (TOC) and Conductivity along with respective specifications. Tests were already carried out but the compliance was not stated/reflected in the Certificate of Quality (CoQ). All product specifications including materials of construction as well as performance specifications shall remain unchanged. The Certificate of quality (CoQ) will reflect the said change.

Implementation of Change:

mdi Products with catalog numbers as mentioned above, released after the implementation date will have the said changes. However, the available stock of **mdi** Products having Certificate of Quality (CoQ) without compliance to Total Organic Carbon level and Conductivity level will be received by you till the stocks last.

In case you have any queries, please feel free to contact our Technical Support Team at 'info@mdimembrane.com'.
