

Change Notice No.	Notification date	Implementation date
CN/F/25/002	April 04, 2025	April 15, 2025

Subject : Use of new mdi facility for manufacturing of Polypropylene cartridge filters and Microglassfiber cartridge filters

Scope : This change will affect the products with following catalog numbers: (# can be any alphabet or numeral):

- CHGP#####
- CHGS#####
- CHGX#####
- CHGZ#####
- CPG2#####
- CPG3#####
- CPG4#####
- CPGP#####
- CPGS#####
- CPGX#####
- CPGZ#####
- CPZ2#####

Background:

This change notification is initiated to notify our customers regarding the new mdi manufacturing facility being set up for mdi Polypropylene and Microglassfiber Cartridge filters with catalog numbers as mentioned above in scope. The dispatch of these cartridge filters shall also be done from the new facility. The addresses of facility is as mentioned below:

Advanced Microdevices Pvt. Ltd.
Jawahargarh Road,
Village - Tepla, Ambala, INDIA

Currently mdi Membrane Cartridge filters as well as Capsule filters and Stericheck, Funnels, Single Use Systems etc. are already manufactured at the above mentioned facility.

The change will have no impact on the product performance or its regulatory compliance.

Need for Change:

The demand for mdi products with catalog numbers as mentioned in the scope is continuously increasing and the existing manufacturing facility is small. So, in order to serve customers better and to reduce lead times it has been decided to validate a new manufacturing facility of mdi products with catalog numbers as mentioned in the scope.

Change Notice No.	Notification date	Implementation date
CN/F/25/002	April 04, 2025	April 15, 2025

The new manufacturing area for Polypropylene and Microglassfiber Cartridge filters has certified ISO - 8 clean room.

The dispatch of these cartridge filters shall also be done from the new facility after implementation of the change.

The new manufacturing facility for Polypropylene and Microglassfiber Cartridge filters has been qualified and validated.

No change has been done in any materials of construction or performance parameters or critical dimensions or manufacturing process or packaging of the products.

How Does It Affect the User:

The products as mentioned in the scope, manufactured at new **mdi** facility shall be received by the user/customer after the implementation timeline.

The certificate of quality (CoQ) of these cartridge filters shall also contains the address of new facility i.e. Advanced Microdevices Pvt. Ltd., Jawahargarh Road, Village - Tepla, Ambala, INDIA.

All product specifications including materials of construction as well as other performance specifications shall remain unchanged.

Implementation of Change:

mdi products with catalog numbers as mentioned in the scope, manufactured in **mdi** new facility shall be supplied after the implementation timeline.
