

Reference : CHANGE NOTICE No. CP/13/08

Subject : Assigning Trade Names to the products

Scope : This change notification will affect the following products:

- **mdj** capsule filters (types listed below)
- **mdj** cartridge filters (types listed below)
- **mdj** Inline filters (types listed below)

Background:

In our efforts to rationalize our products, Trade names have been assigned to different products as mentioned above.

Need for Change:

As above.

How Does It Affect the User:

From a practical point of view it is only a 'paper change' and in no way will affect the product properties and performance characteristics of the product under actual conditions of use. All performance specifications and product attributes remain unchanged. This, however, rationalize our products as regards to Trade names assigned to them.
